

# **FISCAL NOTE**

## **SB 2210**

March 17, 2004

**SUMMARY OF BILL:** Prohibits the operation of a sound amplification system including a radio, tape, CD player, or loud speaker in a motor vehicle which results in sound being plainly audible at a distance of 50 feet or more from the vehicle or, for a vehicle on private property, beyond the property line. Provides that violation is a Class C misdemeanor punishable only by a fine of up to \$50.

### **ESTIMATED FISCAL IMPACT:**

**Increase State Expenditures - Not Significant**

**Increase State Revenues - Not Significant**

**Increase Local Govt. Revenues - Not Significant**

Estimate assumes:

- an increase in state expenditures for computer system changes.
- impact depends on the number of persons convicted of this offense and the fines levied and collected under the provisions of the bill. Increased revenue from fines is estimated to be not significant.
- state receives proceeds from fines in accordance with TCA 55-10-303.
- clerks receive commission on fines collected.

### **CERTIFICATION:**

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White".

James W. White, Executive Director

**SB 2210**
